Back Pain: Diagnosis and Management

WEDNESDAY, OCTOBER 23 • 7 P.M.

Lake Superior State University - Library Auditorium, LBR278, Sault Ste. Marie
This lecture is no-charge and the public is invited.

Millions of Americans suffer from chronic back pain that leads to limited productivity and absenteeism at work. What can be done to diagnose back pain? What can be done to reduce suffering? Join Dr. J. Bryan Dixon at this Your Health Lecture to learn more about back pain diagnosis and management on Wednesday, October 23 at 7 pm, at Lake Superior State University's Library Auditorium, LBR278. Parking is available in Lot J (off Ryan Street).

The Your Health Lecture Series is a collaborative community event sponsored by Lake Superior State University, War Memorial Hospital, Blue Cross Blue Shield of Michigan and Michigan State University College of Human Medicine Upper Peninsula Region Campus.

About the Speaker

J. Bryan Dixon, M.D.
Clinical assistant professor of family medicine
Michigan State University College of Human Medicine

J. Bryan Dixon, M.D., is clinical assistant professor of family medicine at Michigan State University College of Human Medicine, and a board certified sports medicine specialist. He is a graduate of the College of Human Medicine in the Rural Physician Training Program and completed his residency in family medicine in Marquette, where he currently practices non-operative orthopedics and sports medicine. Appointed by Governor Rick Snyder for two consecutive terms to the Governor’s Council on Physical Fitness, Health and Sports, Dr. Dixon brings his expertise and passion for improving health through exercise and physical activity to the state of Michigan.
