Scheduled quarterly or as needed
Minutes prepared by Lisa Galbavi

College By-Laws Regarding Election and Nomination of Members to Graduate Studies Committee

4.2.6.1. The Committee on Graduate Studies shall be composed of four (4) faculty members elected at large, one (1) faculty member appointed by the Dean in consultation with the College Advisory Council, and one (1) graduate student enrolled in a graduate degree program in the College elected by his/her peers. The College representative to the University Graduate Council will be an ex officio, non-voting member, but may be given the voting franchise by committee.

4.2.6.2. The charge to the Committee on Graduate Studies shall be to serve as a forum for the generation, receipt and discussion of policy recommendations regarding graduate education programs of the College, and to advise the Dean on these matters. The committee shall exercise the faculty's delegated authority to review and approve or reject all changes in the graduate curriculum degree requirements and graduate cognate course programs of the College.
