**College By-Laws Per Election and Nomination of Members to College Advisory Council**

- 3.1.1. The College Advisory Council shall include one (1) faculty member from each administrative/academic unit of the College, and two (2) medical students and one (1) graduate student, representing different parts of the curriculum.
- 3.1.1.1. One faculty person selected from the College's representatives to the Faculty Senate shall serve as an ex officio, non-voting member.
- 3.1.1.2. The faculty members representing the College on each University standing committee will serve as ex officio, non-voting members of the College Advisory Council and provide a quarterly or as needed, report of said committee's activities at each College Advisory Council regularly scheduled meeting.
- 3.1.1.3. Other ex officio non-voting members may be added as needed by the College Advisory Council.

Members shall be elected for a two-year term with half of the College Advisory Council being elected each year. No faculty member may serve for more than two consecutive terms.
