Additional Pool Delegate: Deborah Sleight, OMERAD

Boards:

University Academic Integrity Hearing Board – David Barondess

University Academic Appeals Board – Rebecca Henry

Policy:

The annual ballot should include information (day, time, and frequency) about when University standing committees meet. The nominee receiving the highest number of votes will be named as the CHM representative and the nominee receiving the second highest number of votes (i.e., first runner up) will serve as their designated alternate. In the event that only one nominee stands for election, or the designated alternate is not able to serve as a substitute for the named CHM representative to their University standing committee, the entire slate of candidates for the University standing committees shall constitute a pool of potential alternates from which a substitute or temporary CHM representative can be chosen. Alternate or substitute CHM representatives to the University standing committees shall be granted voice and vote by the college, consistent with the rules and bylaws of the respective University committee.
